To Whom,

I am thrilled to write this letter of recommendation for Laila Senff, who worked as a part-time manager under my leadership at Free People in Pittsburgh, before her transfer to FP Movement in Texas as a full-time Assistant Manager.

During her time with us, Laila consistently stood out for her strong work ethic, enthusiastic spirit, and genuine leadership qualities. She approached each day with positivity and drive, always punctual, prepared, and ready to take initiative. Whether leading a team or tackling a task independently, she did so with a sense of ownership and professionalism that set the tone for those around her.

Laila led by example-never hesitating to jump in, help others, or go the extra mile to ensure the store was not only meeting expectations but exceeding them. Her energy was truly contagious, creating an uplifting environment that inspired both her peers and our customers.

What truly sets Laila apart is the way she blends her personal charisma with a clear sense of responsibility. She's the type of team member and leader who elevates a workplace, not just through her performance, but by the way she makes others feel supported and motivated.

I have no doubt that Laila will be an incredible asset to any organization she chooses to be a part of. I wholeheartedly recommend her and would be happy to speak further if additional insight is needed.

Sincerely,
